Insufficient Enrollment: We'd like all of our courses to run for participants involved, but we must make realistic decisions in order to offer quality instruction, materials and comfortable classrooms. Our goal is to offer attendees the interaction you'd expect from a quality provider. If we notify you or your company representative that your training course is cancelled, we will be sure to offer you two choices; (A) Transfer to another course without penalty or (B) a full refund of your payment, if it was paid in advance.
